2010 Annual Newsletter

Thinking Towards The Future Of Our Clay Target Sports!

Greetings Shooters and Program Supporters,

While winter has a firm grip on most of us here in Iowa, another shooting season is just right around the corner. While 2009 was a challenging year for the economy, the youth clay target sports in Iowa continue to be a bright spot of growth amongst all the 'doom-and-gloom'. This success is accomplished in no small part by the work of all the coaches at the local level and by YOU the program supporters. While new programs are always concerned about the cost of clay target shooting, coaches and schools now have somewhere to turn for help. Thanks to your support, the Iowa Scholastic Clay Target Program, Inc. was able to get four new school-based shooting programs off to a great start through grants made possible by your generous contributions!

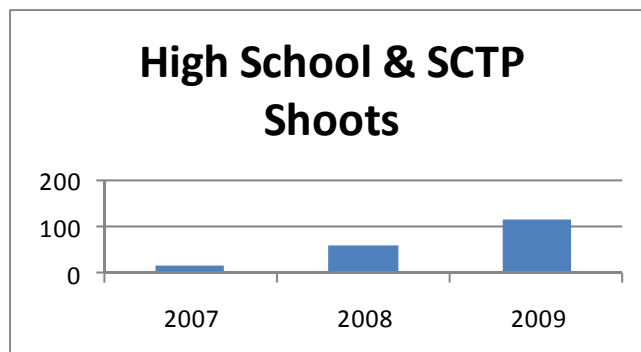

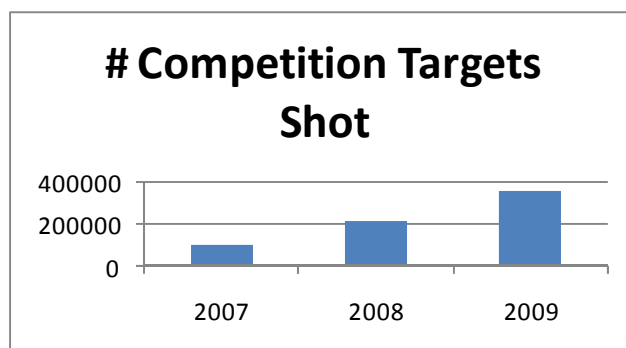

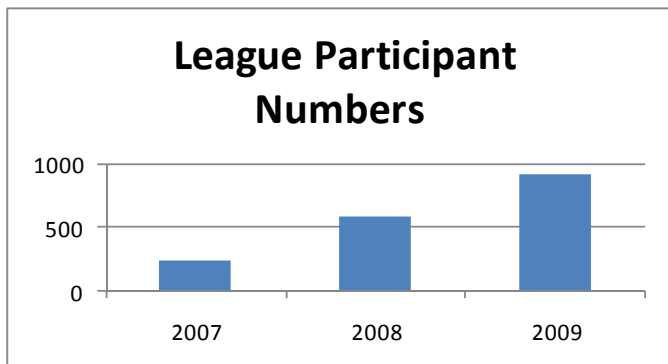

In 2009, 913 shooters from 48 teams participated in the Iowa High School/Scholastic Clay Target Program...a 35% increase from 2008. Collectively, these shooters shot over 350,000 targets in competition and another half million in practice!! In addition to providing startup grants to new schools, Iowa SCTP, Inc. funded entry fees for the SCTP state skeet event, assisted with a state-wide bulk ammunition purchase, and conducted the first ever international clay target camp to teach young athletes about Olympic style clay target competition.

If you think these efforts are worthy of supporting, we would like your help! Enclosed are details on our 2010 sponsorship packages and raffle. Sponsorship of \$100 or more gets you or your company recognition at the 2010 Iowa High School and SCTP State Championships. Our 2010 raffle has two Beretta semi-automatics as well as gift certificates to Boyt/Bob Allen. Purchase 5 tickets and become a 2009 sponsor! The raffle is limited to 500 tickets sold and the drawing is October 5th (need not be present to win). All sponsors donating by March 15 will receive their name and/or company logo in the 2010 Iowa High School & SCTP state championships program. Remember, donations are tax-deductible!

Thanks in advance for your continued support!
