

Iowa Scholastic Clay Target Program, Inc.

2010 Annual Newsletter

Thinking Towards The Future Of Our Clay Target Sports!

Greetings Shooters, Coaches and Program Supporters,

By now most of you have probably shot the last of your competition targets for the season and are putting up the target guns and pulling out the old-reliable field guns in preparation for the hunting seasons. 2010 was another very successful year for youth clay target shooting in Iowa. This success is accomplished in no small part by the work of all the coaches at the local level and by **YOU** the program supporters. While new programs are always concerned about the cost of clay target shooting, coaches and schools now have somewhere to turn for help. Thanks to your support, the Iowa Scholastic Clay Target Program, Inc. was able to get four new school-based shooting programs off to a great start through grants made possible by your generous contributions!

In 2010, 1,043 shooters from 51 teams participated in the Iowa High School and Scholastic Clay Target Program. Collectively, these shooters shot over 430,000 targets in spring competition and another ~750,000 in practice!! In addition to providing \$9,250 in startup grants to new high school trap programs this year (\$16,000 to date), Iowa SCTP, Inc. offset fees for the SCTP state skeet event, assisted with a state-wide bulk ammunition purchase, and conducted the second annual international skeet camp to teach young athletes about Olympic style clay target competition.

If you think these efforts are worthy of supporting, we would like your help! Enclosed are details on our 2011 sponsorship packages and raffle. Sponsorship of \$100 or more gets you or your company recognition at the 2011 Iowa High School and SCTP State Championships. Our raffle has two Beretta semi-automatics as well as gift certificates to Boyt/Bob Allen. Purchase 5 tickets and become a 2011 sponsor! The raffle is limited to 500 tickets sold so odds are good. All sponsors donating by March 15, 2011 will receive their name and/or company logo in the 2011 Iowa High School & SCTP state championships program. Remember, donations are tax-deductible!

Thanks in advance for your continued support!

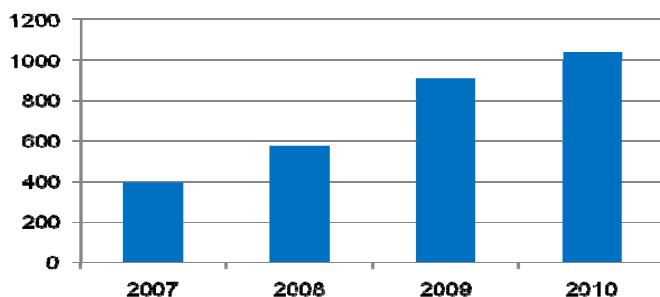

Ben Berka
President,
Iowa SCTP, Inc.

2010 Grant Program

The purpose of the Iowa Scholastic Clay Target Grant Program is to help establish and institutionalize school-based clay target shooting programs in the state of Iowa. Successful applicants will be eligible for 50% match funding for up to \$5,000 per year for two consecutive years. The number of grants issued and amounts each year will be dependent on funding available to Iowa SCTP, Inc., the number of applicants and the strength and feasibility of each application as determined by the Iowa SCTP, Inc. board of directors. For more information and application details, please go to www.IowaSCTP.org/news.htm. Application deadline is December 1st.
